

III Annual Workshop of the Spanish Chapter

26 October 2022, ETSI Civil (UPM), Madrid

INFORMATION

The Spanish chapter of the International Society for Porous Media (InterPore) organizes its annual meeting to disseminate knowledge on porous media and create a porous media network in Spain. The annual meeting will be held in hybrid format at the Library of the School of Civil Engineering at the Technical University of Madrid (ETSI Civil -UPM) on October 26, 2022.

For more information: <https://spaininterpore.webs.upv.es>

REGISTRATION AND CONTRIBUTIONS

Both registration and attendance to the conference are free of charge. Those interested can register using the following web form.

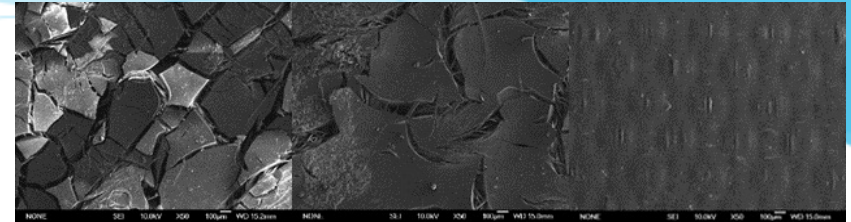

ONLINE REGISTRATION:

<https://spaininterpore.webs.upv.es/iii-annual-meeting-inscription/>

Abstracts may be submitted in Spanish or English and should be not longer than 250 words. The deadline for receipt of abstracts is 15/10/2022.

TOPICS (non-exclusive list)

- Flow and transport modeling in porous media.
- Multiphase systems.
- Mechanics of porous media.
- Fractured porous media.
- Membranes.
- Adsorption and filtration through porous media.
- Geological storage.
- Chemical reactions and mixing in porous media.
- Synthesis of porous materials.

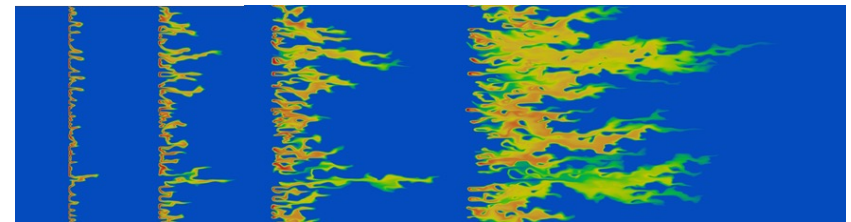

ORGANIZING COMMITTEE

Marco Dentz (IDAEA-CSIC)
Juan J. Hidalgo (DAEA-CSIC)
Laura González-Blanco (CIMNE)
Elena Abarca (AMPHOS 21)
María Pool (AMPHOS 21)
María Barragán (UCM)

LOCAL COMMITTEE

Luis Cueto-Felgueroso (UPM)
Francisco Javier Elorza (UPM)
David Santillán (UPM)

VENUE

ETSI Civil Engineering (Retiro building)
Technical University of Madrid
Alfonso XII, 3-5
28014 Madrid
